

Appendix B

Review of Shoreline Bacteria Data

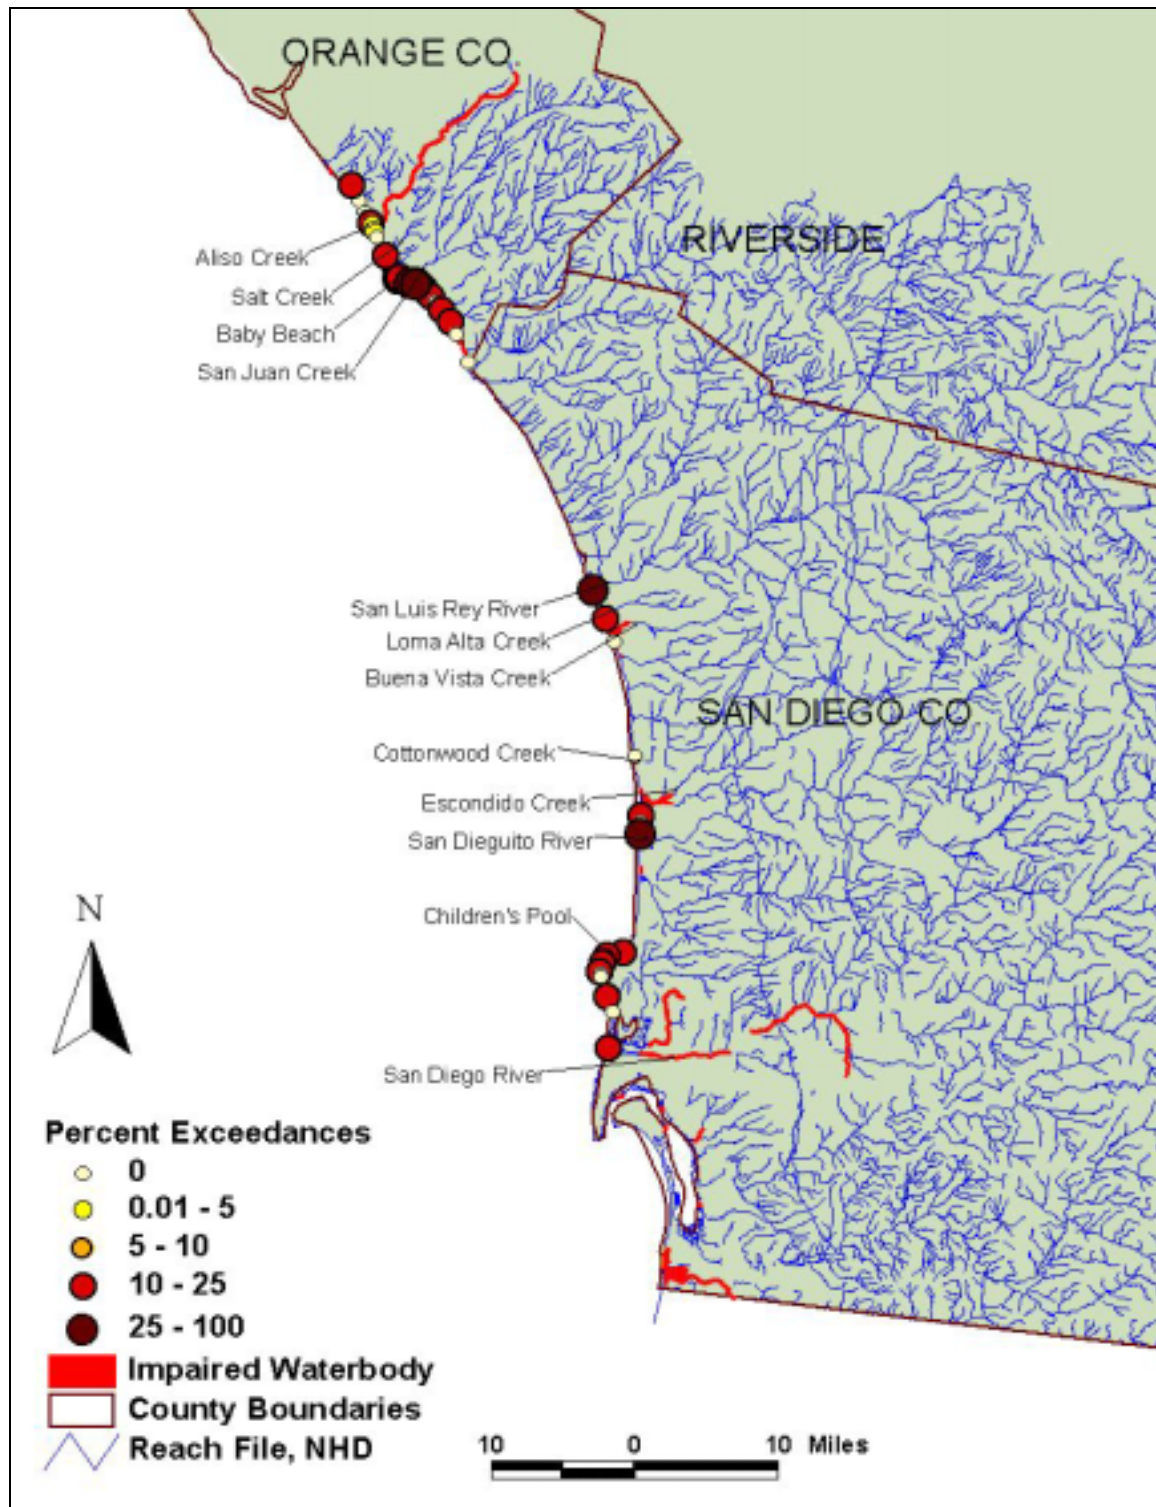

Figure B-1. Exceedances of Fecal Coliform Single Sample Objective (REC-1) During Wet Weather Conditions

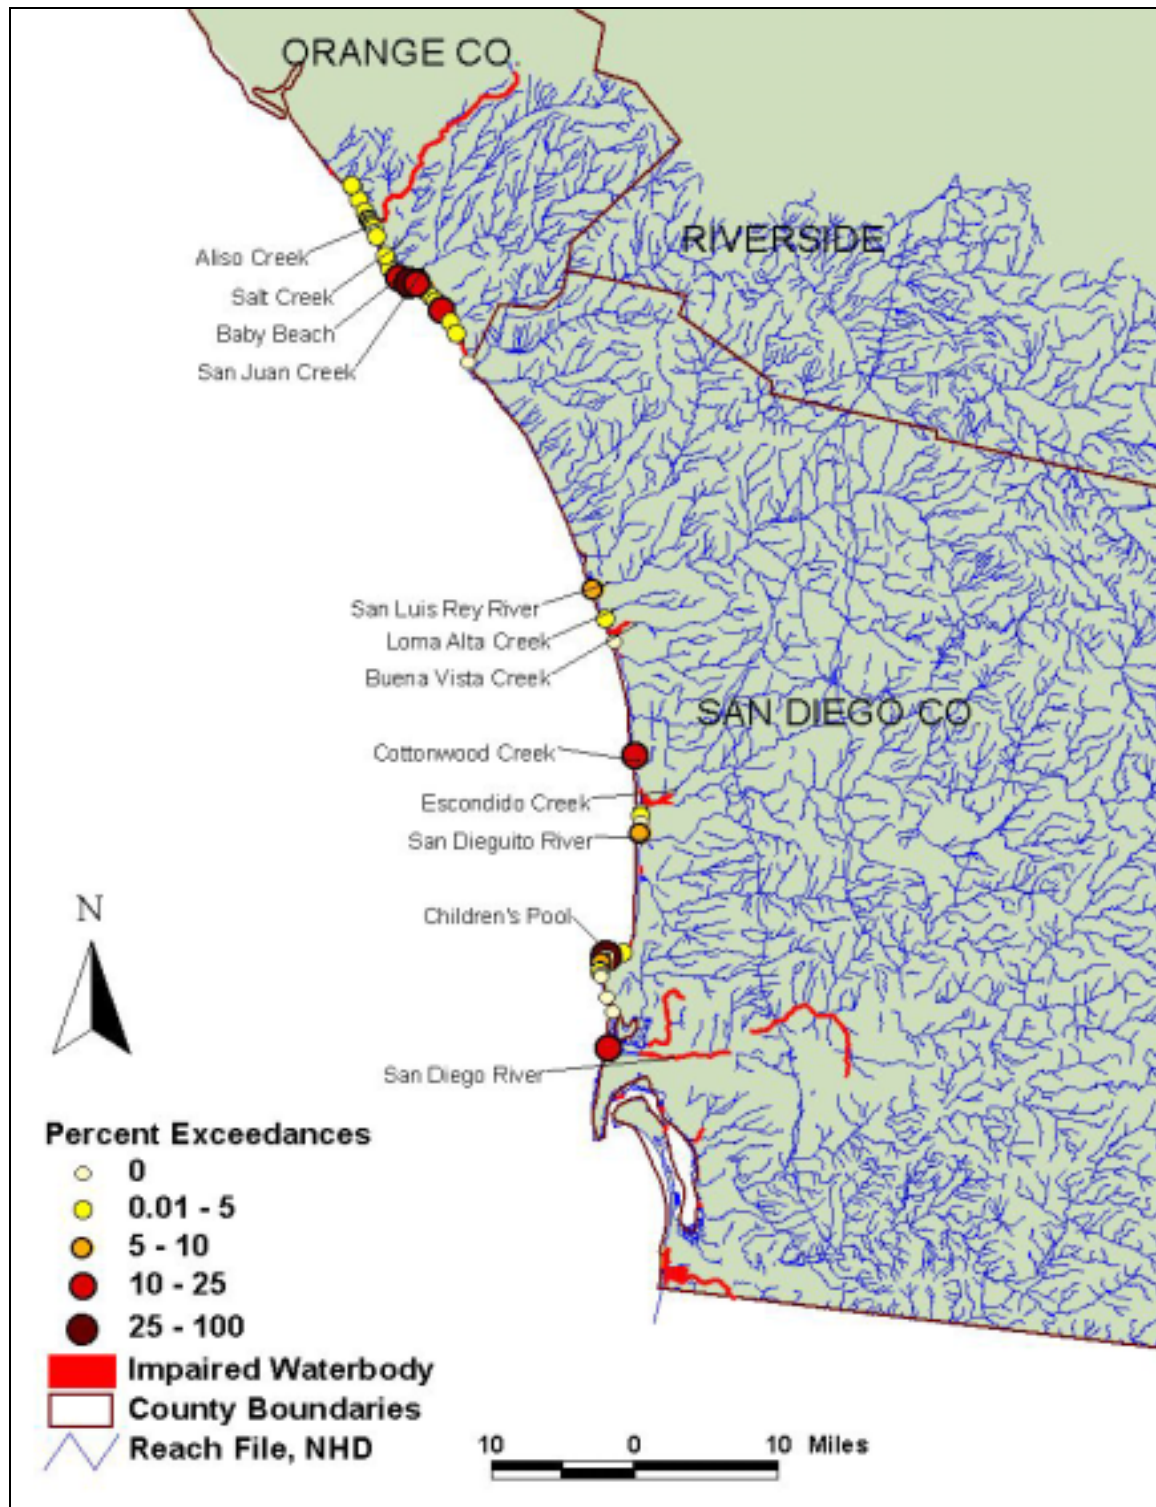

Figure B-2. Exceedances of Fecal Coliform Single Sample Objective (REC-1) During Dry Weather Conditions

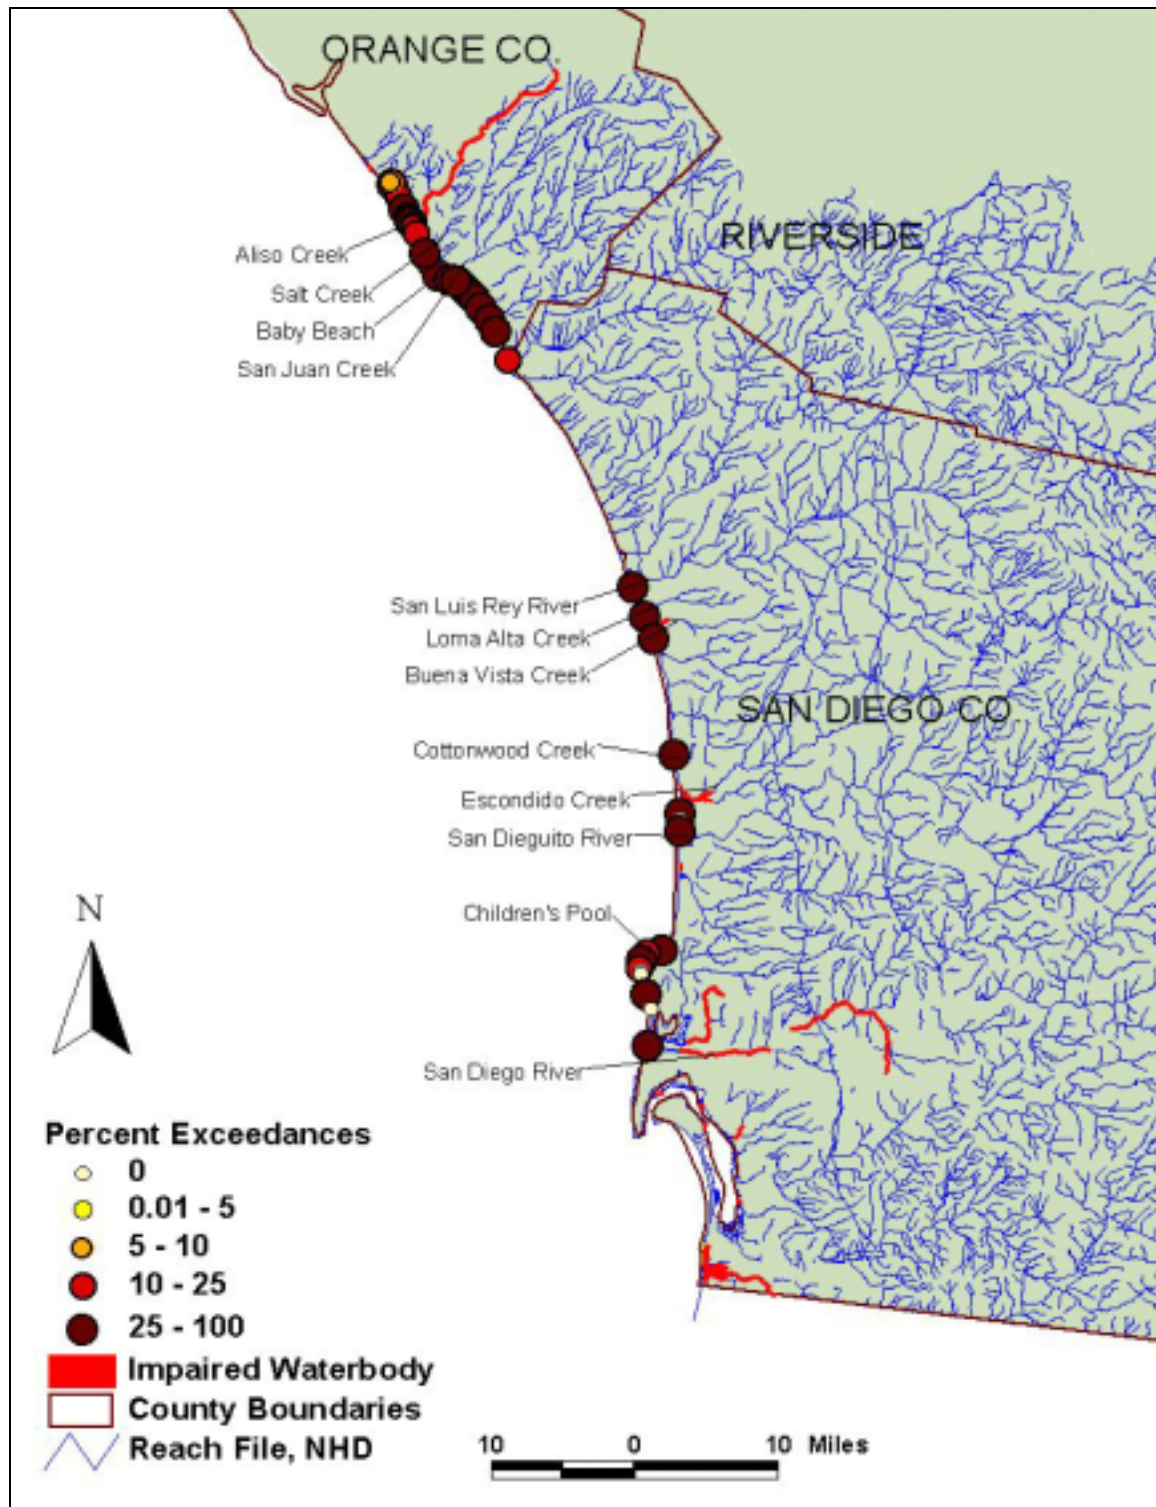

Figure B-3. Exceedances of Total Coliform Single Sample Objective (SHELL) During Wet Weather Conditions

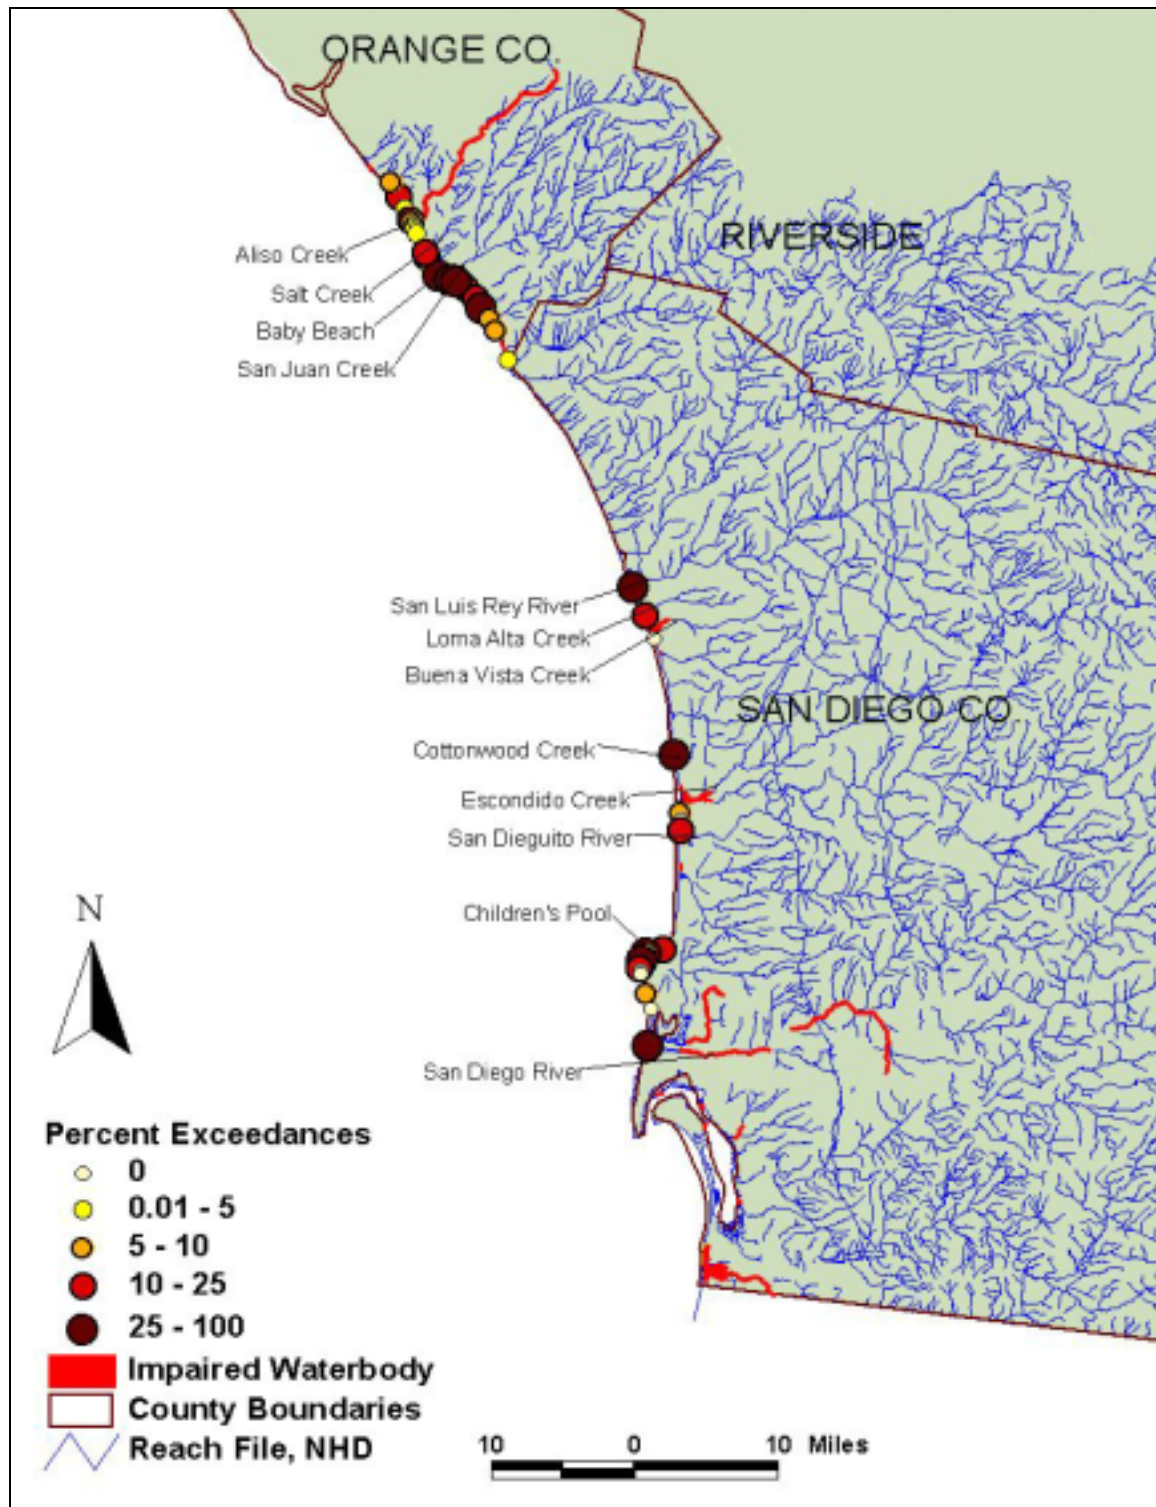

Figure B-4. Exceedances of Total Coliform Single Sample Objective (SHELL) During Dry Weather Conditions

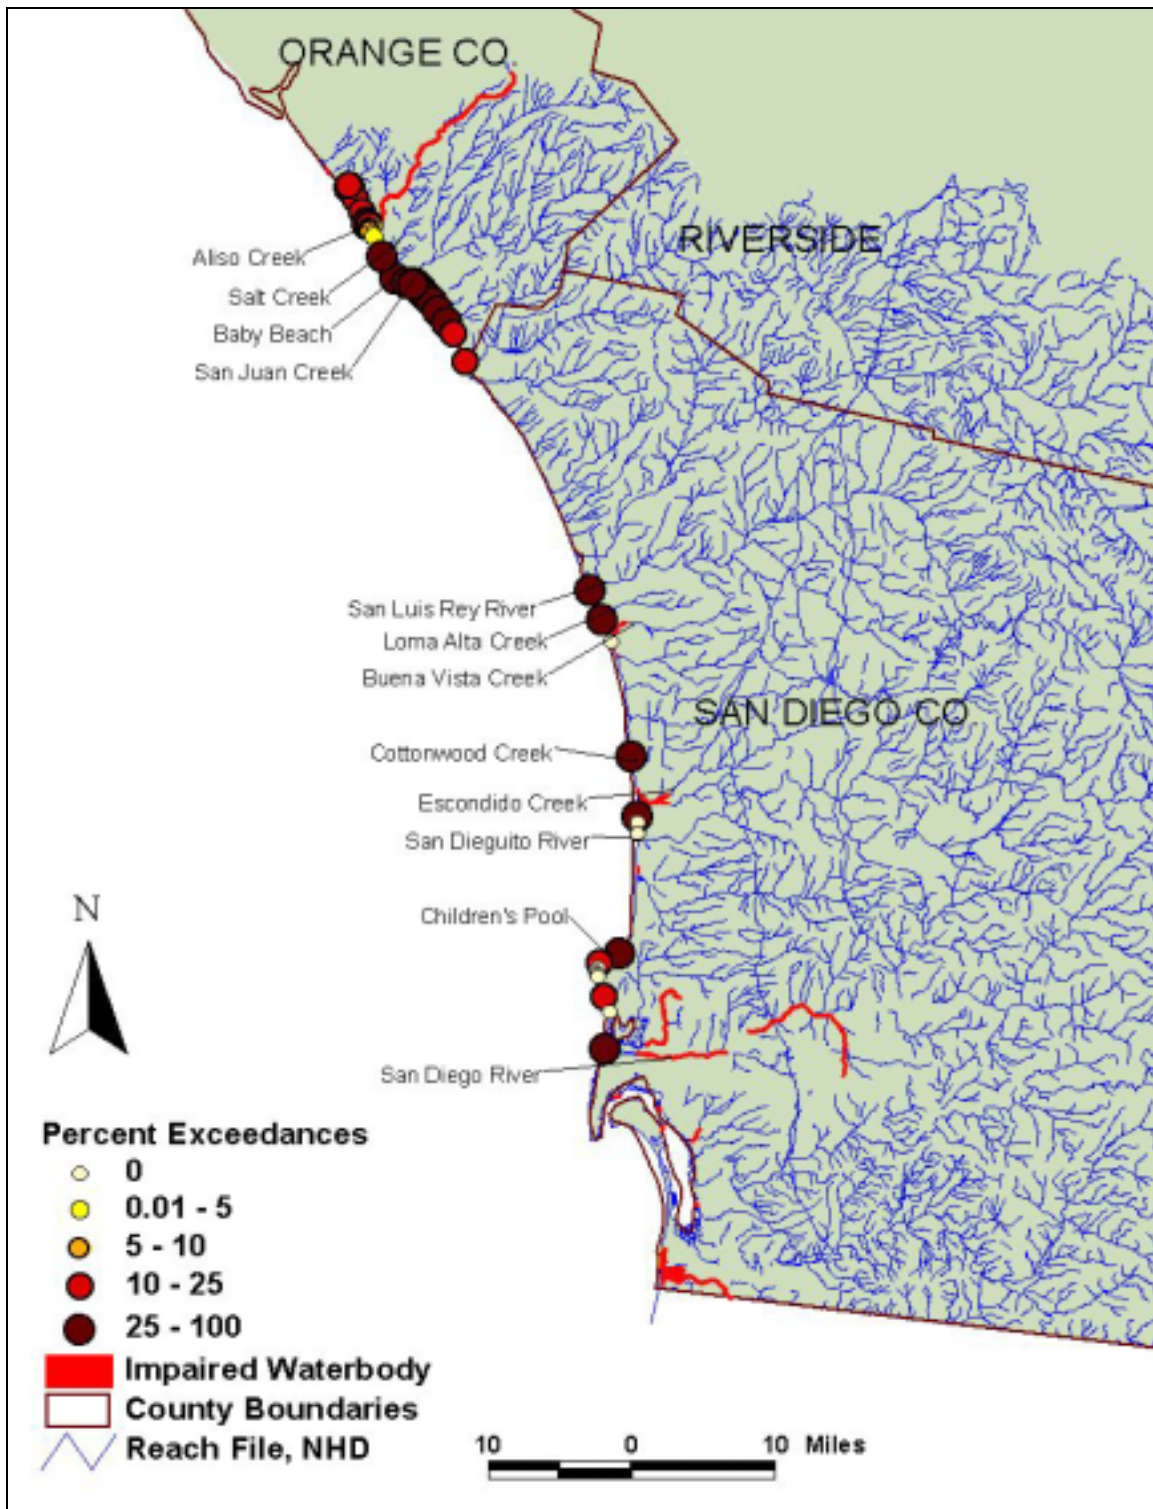

Figure B-5. Exceedances of Enterococcus Single Sample Objective (REC-1) During Wet Weather Conditions

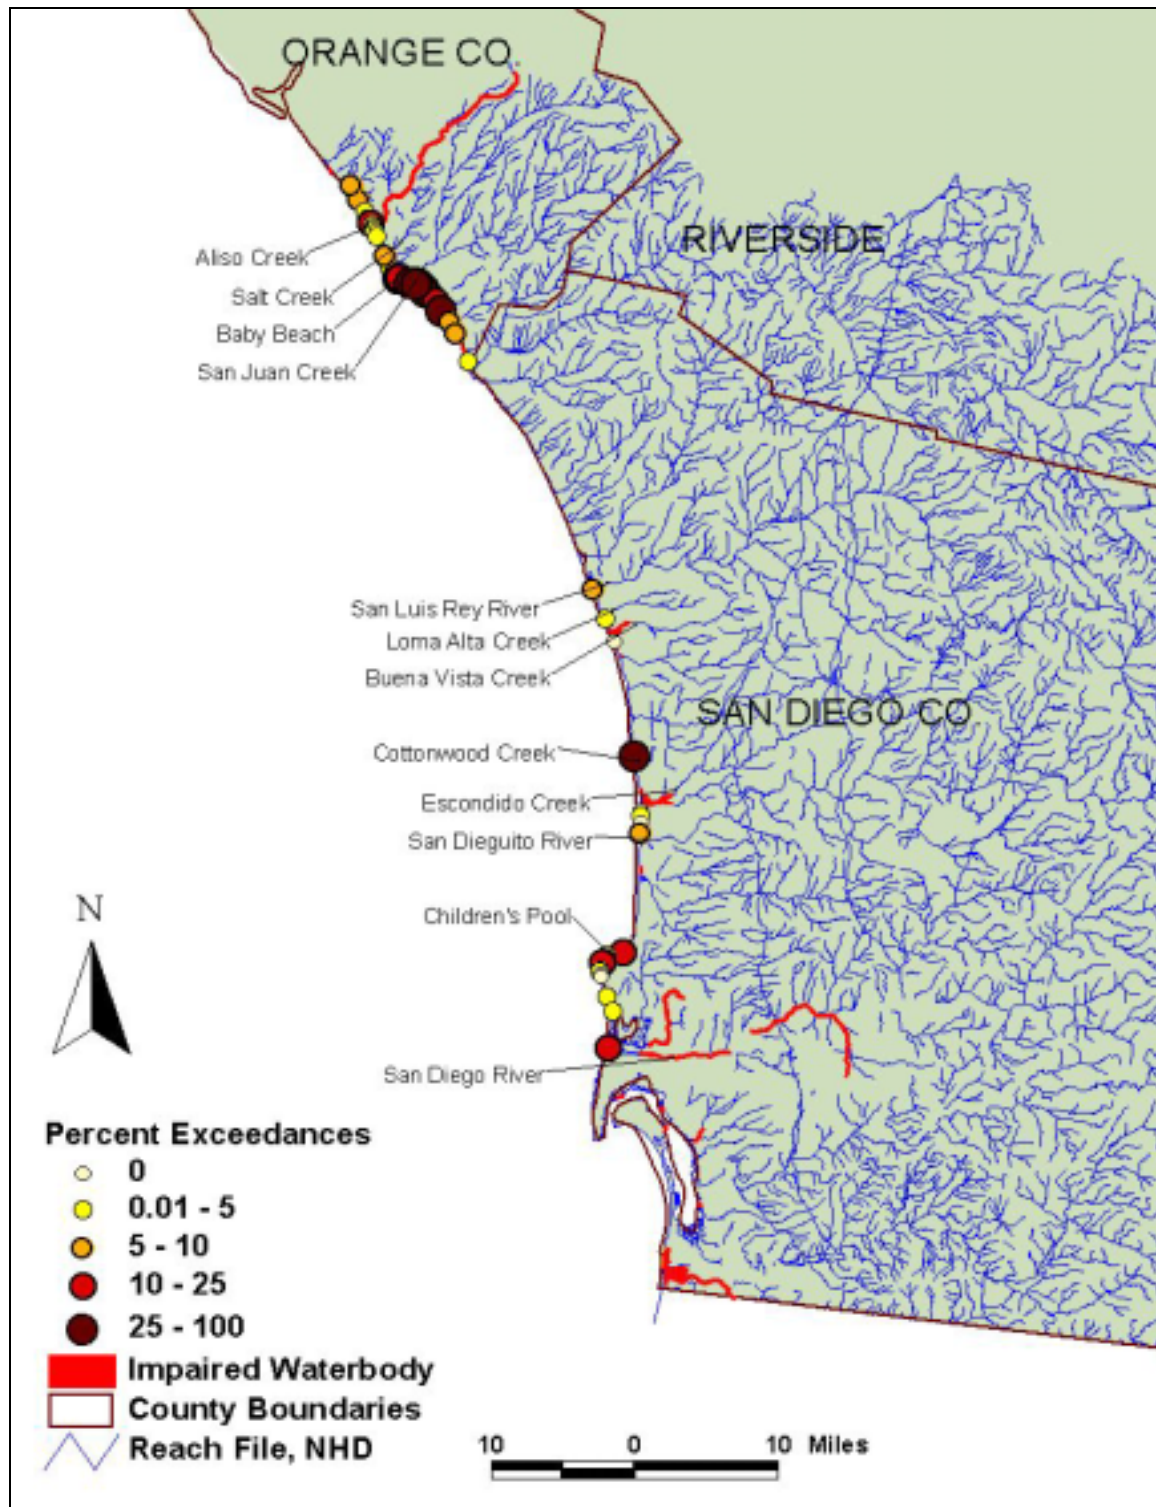

Figure B-6. Exceedances of Enterococcus Single Sample Objective (REC-1) During Dry Weather Conditions
